

CONCERT DRESS REHEARSAL SCHEDULE

Monday 8th December - George Jenkins Theatre (Monash Uni Frankston)

GEORGE JENKINS THEATRE

Monash University, Frankston.

Opposite Frankston Private Hospital, turn right into the Uni at the Hastings Rd traffic lights. Turn left at the first roundabout and follow the road down to the end car park.

The Dress Rehearsal is an extremely important night for all our dancers as this is their first practice of their dances in costume and on the stage. Please make every effort to be there, carpooling is greatly encouraged! Because most students will have to leave straight from school to get to Frankston, I understand if hair and makeup can't be done beforehand. If they bring a hair/makeup bag with them to the theatre, our backstage helpers can assist them. Hair and makeup is to be done the exact same as photo day. Remember to have your dressing gown to wear over your costume while waiting. Younger students are encouraged to pack their PJs to get changed into after the rehearsal and show to travel home in.

All students must be signed in and out at the stage door. A helper will then accompany our younger students to their dressing room where their backstage helpers will be waiting. Parents are not permitted into the theatre or backstage, your understanding and cooperation is greatly appreciated.

Bump in is from 3:30pm, students can start arriving from this time with all students being there no later than 4:30pm. Students will then have 30 minutes to settle in, get to know the theatre and get ready in their first costume to start our rehearsal at 5:00pm.

The following schedule is an indication only, we kindly ask that you please be patient if we do run slightly over. We understand that it is a school night and we will do our absolute best to finish in the quickest and safest way possible 😊
